

NEPMA

NEW ENGLAND PEST MANAGEMENT ASSOCIATION, INC.

Nominate Your Employees for NEPMA's

PROFESSIONAL OF THE YEAR AWARD

As a member of the New England Pest Management Association we encourage you to nominate one or more of your employees for the New England Pest Management Association's "Professional of the Year Award" for 2021. This award is open to anyone who is involved in the industry. The chosen recipient will be honored as a part of the association's (virtual) Spring Training, March 1-3. Only employees of association members qualify for nomination.

The award seeks to highlight an individual who has made outstanding contributions to the pest control industry through their work performance, community and industry service, technician training, or other notable accomplishments in pest control.

The letter (or letters) of nomination sent to NEPMA should give specifics as to how the individual(s) has excelled in the accomplishments outlined above. Nominating an employee can become a great employee relations project within your firm. Recognition of the winner, in addition to an appropriate award, will also include recognition in *Controlling Interest*.

**The deadline for the submission of entries is
Monday, February 22, 2021.**

Send letters of nomination (complete with specific accomplishments and why the professional should be chosen) to nepma@pestworld.org.
